Inventory of District was brought up that we should get someone from Area to facilitate who has experience in doing inventories. Need to get more information about how this should be done.

Treasurer's report: Talked about finances via zoom; not many zoom meetings are contributing and meeting attendance is down. Some meetings are still contributing though. Electronic deposits is something that needs to get set up and meeting chairs need to be sure to reach out to those on zoom to remind them of the 7th tradition. It is imperative that GSR's attend District meetings so they know what's going on. There is currently \$3,002.86 in account. Kathy motioned and Tom seconded Treasurer's report.
